

## Double decking double track ATD-F partly-recessed

### Product information

The ATD-F rails are partly recessed in the walls of the van. The risk of the pallets catching on the rails is greatly reduced. These rails are supplied marked with 6 positioning lines every 125 mm to serve as a reference for fast and efficient horizontal positioning of the support beams.

**Material:** Aluminium

| Part Code | Length<br>m | Width | Height<br>mm | Weight<br>kg | Delivery time |
|-----------|-------------|-------|--------------|--------------|---------------|
| 32020012F | 1.76        | 167   | 15           | 3.26         | 12            |
| 32020004F | 1.96        | 167   | 15           | 3.47         | 12            |
